

Saratoga Technologies acquires Blountville, TN based Alternative Imaging Systems

Johnson City, TN (January 24, 2013) - Saratoga Technologies (www.saratogaus.com) announces the acquisition of Alternative Imaging Systems (AIS) located at 100 Deck Lane, Blountville, TN 37617. This makes Saratoga's largest single acquisition, their sixth acquisition of a copier/printing/imaging company and their 23rd overall.

Kenny Cline, President of AIS explains; "Our move into Saratoga's family of business will allow us to offer our clients advanced solutions and services that Alternative Imaging Systems just couldn't provide. We will continue to provide excellent service and support with the ability to introduce our customers to the latest in office technology and document management."

The transition will be completed by January 31, 2013. AIS will move to, and operate out of, Saratoga Technologies' Johnson City office located at 101 Med Tech Parkway, Suite 307, Johnson City, TN 37604. Kenny Cline and the entire eleven person staff of AIS will join the Saratoga team and continue to serve their customers.

"AIS has been around for almost twenty years and they have a long track record of excellent customer service", said David Temple, President of Saratoga Technologies. "We look for outstanding companies like AIS to bring into the Saratoga family because they understand how to bring value to their clients and help them grow. We welcome them onboard, they will be a great addition to our team."

About Alternative:

Founded in 1995 by Kenny Cline, Alternative Imaging Systems grew to over 2,500 clients in the East Tennessee / Southwest Virginia area. Specializing in copier and printer sales and service, the company also provided network support and print management solutions.
