

Call for Ag Biotech Entrepreneurial Pitches 2014

Get Recognized! Get Partners! Grow Faster!

North Carolina is the global hub for ag biotech with tremendous commercial and research assets driving the development of new innovations in this sector, and is therefore the ideal location to convene entrepreneurs, investors, and technology scouts. NCBiotech is expanding the [Ag Biotech Entrepreneurial Showcase 2014](#) to include pitch-presentations from investor-ready entrepreneurs at crop biotech and animal health companies across the greater Southeastern states. Ag biotech leaders, investors and technology scouts will come together for information sharing, networking, and partnering on May 20, 2014 at NCBiotech located in [Research Triangle Park, North Carolina](#).

As one of many recognized investor-ready entrepreneurs in the Southeast, we **invite you to apply** to participate and showcase your company, breakthrough technologies, and investment opportunities. A group of *10-12 Entrepreneurs* will be chosen, by a select group of entrepreneurial development advisors, to provide an eight minute pitch presentation on May 20.

For more information, please visit the [Ag Biotech Entrepreneurial Showcase](#) event webpage. From here, you can access the [2013 Showcase](#) to view speaker bios and list of attendees.
