

Technology Demonstration

Please join the ACE Accelerator partners for a brown bag lunch with a demonstration of the FaroArm.

July 23, 2014 from 11:00 a.m. – 1:00 p.m.

At the UT Outreach Center, Homer Fisher Room

The demonstration will feature digital scanning equipment that allows manufacturers easy verification of product quality by performing 3D inspections, tool certifications, CAD comparison, dimensional analysis, reverse engineering and more.

The UT Outreach Center is located at
1201 Oak Ridge Turnpike, Oak Ridge, TN 37830.

For more information, email hartman@eteconline.org.

This project is jointly funded by a grant from the U.S. Department of Labor, Employment and Training Administration (60%), the U.S. Department of Commerce's Economic Development Administration (30%) and the U.S. Small Business Administration (10%). Federal funding totals \$1.6 million (75% of total cost). SBA's funding should not be construed as an endorsement of any products, opinions, or services. All SBA-funded projects are extended to the public on a nondiscriminatory basis
