Annual Meeting

Wednesday, November 19, 2014
Baker Donelson Center, Nashville, TN

Afternoon Meeting & Evening Reception

The Annual Meeting is TenneSEIA's largest and most prominent event of the year. It will include speakers and panels covering topics associated with Tennessee's past, present, and future solar industry. Notable areas of discussion include, but are not limited to: TVA's 2015 integrated resource plan; policy and technicalities associated with behind-the-meter installations; and TVA's distributed generation valuation process.

This Meeting will also include an announcement and recognition for **TenneSEIA's 2014 Solar Champion Award**, and announcement of the 2014-2015 Board of Directors.

Agenda and additional details to follow.
