

Turn Your Business Idea into Action!

9 WEEKS

CO.STARTERS is a process designed to turn your business idea into action. It is for existing businesses looking to grow as well as new business ideas.

Throughout this business model discovery process you will:

- ⇒ Identify and test business assumptions through customer interactions
- ⇒ Develop a functioning business model
- ⇒ Learn valuable management and marketing skills
- ⇒ Receive constructive feedback from advisors, peers and former graduates

Before the final session, you'll have the tools, framework and momentum you need to make your vision a reality—and the best part is you won't be in it alone.

Join diverse mindsets, backgrounds, businesses and over 700 graduates!
