APRIL 1 | 7-8 P.M. EST | RSVP: [HTTPS://BIT.LY/3FI70QV](https://bit.ly/3fi70qv)

## "How to Write an SBIR Proposal"

Steven Ripp  
Chief Operating Officer  
490 Biotech

## About Steven Ripp:

Steven Ripp is the Chief Operating Officer of 490 BioTech, a company that creates bioluminescent cell lines for pharmaceutical drug testing. Ripp is a long-time research professor in UT-Knoxville's Center for Environmental Biotechnology and Department of Microbiology, and routinely serves as a peer reviewer for SBIR/STTR competitions. He is a strong supporter of this funding mechanism for the Knoxville area life sciences entrepreneurial community.
